

'Your Life, Your Care' Survey

We want to know
how you are feeling

So we made a
survey just for YOU

- Other children like you are doing it
- It's really quick
- We won't know who said what
- We care about what you have to say
- You don't have to answer any questions you don't want to

You'll be asked to do the survey in January.
You can be supported to complete the survey.

Your answers will be put with the answers from other children and young people who are also in care. What you've said will help us understand how you feel and make things better for children in care.
