• Moving on				
• Physical Intervention				

The Fundamentals

| What matters to children and families	Listening	Poverty	Children's Rights	Language

The Promise - Data Mapping

This infographic aims to map already available/collected data connected to the themes from the Promise and their subcategories for Looked after Children.

- all the data included in this list are collected by national bodies with data available at LA level.
- data that is already incorporated within the LGBF are highlighted
- this can be used for gap analysis, baselining, showing progress and benchmarking.

Contents

A Good Childhood - Children and Families

	Measures	Source
Support	Total number of looked after children and their demographics (age, gender, ethnicity, disability) No. of looked after children in the community No. of looked after children in residential care	Children Social Work Statistics
